

Parking Garages and Payment Instructions

Below is a list of available parking garages. When you arrive at the garage you will need to pay for your parking immediately upon parking your vehicle at any of the garages. If you do not pay before exiting the garage to attend the program, you will be ticketed.

Parking instructions will be located on each level of the parking garage. You will need your license plate number and may Pay with Your Phone (Text), QR CODE or download the Premium Parking app to your phone. Please note that at the Baltimore Marriott Waterfront hotel garage, there is a pay station machine available on the street level. Again, you will need to pay before exiting to attend the program. For your convenience we are providing the payment instructions to you in advance. [Click here](#).
